

## Communication & Language

Children will use a range of different methods to communicate through working individually, in partners or in groups.

## Expressive Art and Design

Over the Autumn Term we will be linking our artwork to the seaside.

## Physical Development

P.E: Children will be doing hockey, orienteering and sailing in their PE lessons over the Autumn Term.

## Personal, Social and Emotional Development

Through a range of activities we will consider ways of dealing with things that worry us and think about our relationships with others. Our Values for Life themes this term are **Courage and Creativity**.

## English

We will be looking at a range of texts over the Autumn Term, including: recounts; instructions and explanations; performance poems; and classic fiction with a focus on Rudyard Kipling.

We will be looking to scaffold our learning with the use of VCOP principles (Vocabulary, Conjunctions, Sentence Openers and Punctuation).

# Back to the Future

## Mathematics

- Number and place value
- Addition and subtraction, multiplication and division
- Problem solving, reasoning and algebra
- Geometry, shape and measurement.

## Understanding the World

**History:** Children will be looking at The Victorians and inventors. We will be looking at how they have impacted our lives today.

**Science:** Children will be learning about great scientists.

**ICT:** Children will use the internet to gather information within English, science and topic lessons to support their learning. Children will also be doing computer programming and looking at e-safety.

**R.E:** In RE we will be learning about the values and beliefs of people in Christianity and Islam.

**French:** In French, we will be learning about ourselves, family and friends and school life.

**If you have any books or ideas that you would be willing to share with Orca Class please send them in. Thank you.**
