

### Communication and Language

The children will use a range of different methods to develop their skills of communicating; working individually, with a buddy, in groups and as a whole class.

These will take place as part of our everyday learning across the curriculum.

### I.C.T and Computer Science

We will cover programming, e-safety, ways of creating and presenting ideas and information as well as developing our keyboard and typing skills. We will be using Google Classroom in class and learning to select, use and combine a variety of software to get the content we want. We will be using our new Chrome Books to improve our IT skills.

### Personal, Social and Emotional Development

PSHE - we will be thinking about our Health and Wellbeing.

R.E - We will be studying Genesis and asking 'What do Christians learn from the story of Creation?'

Harvest festivals and Christmas Nativity will be a bit different this year as we celebrate in class and post our songs and poems on Google Classroom.

### Literacy

We will start the term by reading Paddington by Michael Bond. We will write letters and postcards to Aunt Lucy as well as writing instructions for making marmalade sandwiches. We will write a new adventure for Paddington based in London and Peru.

After half term we will study the work of Michael Morpurgo and complete writing tasks based on his book 'Coming Home'.

### Journeys

### Mathematics

Number and place value  
Fractions, ratio and proportion  
Mental and written addition and subtraction  
Mental and written multiplication and division  
Problem solving, reasoning and algebra  
Geometry, statistics and measurement

### Physical Development

PE - we will be focussing orienteering, problem solving and dance with Mr Studd as well as multi-skills work.

### Understanding the World

**Science** - This term we will be looking at Earth's place in our solar system and working out why we have seasons, day and night, and different climates in different areas. We will gain an idea of how vast space is and what it would be like to live on different planets

**History** - In History we are studying the Anglo-Saxons, Vikings and Scots and how they settled in Britain.

**Geography** - we will be doing activities based on maps and mapping and finding out about/comparing London and Peru.

### Expressive Art and Design

**Music** - we will be singing regularly and composing our own train music based around the story The Polar Express at Christmas time.

**Art -Design and Technology** -.we will be studying different jewellery of the Anglo Saxons and Vikings and making brooches.
